

# Wedding Package 2020

We invite you to experience the historic atmosphere and colonial charm of Kearsney Manor.

Situated on an original sugar estate near Stanger, Kearsney Manor is an old English mansion built in the late 1800's by Sir James Liege Hulett and was once home to the renowned Kearsney College. Boasting historic surrounds, breathtaking views, and the stillness of quiet country life makes Kearsney Manor the idyllic choice for your wedding venue. Our beautiful old stone chapel is over 100 years old and boasts tremendous character and charm. The fields of sugar cane surrounding the grounds provide the quiet environment that is needed to take in the life changing ceremony on your special day. The chapel comfortably seats 110 people, but for larger weddings, the ceremony can be held in our neatly manicured gardens.
